I saw ya in the front row
Moving to the beat
Just movin' and groovin'
Killed me when I saw
The wet patch on your seat
Was it Coca-Cola?

Ooh baby I hope you liked the show
When the band said goodnight
I had to say hello

Little lover, I can't get you off my mind, no
Little lover, Ooh I try so hard to find
Someone like you

Ooh baby you sure look sweet
Cruisin'
A leg either side
Of my motorcycle seat
just oozin'
Could have been a nightmare
Could have been a dream

But on the way home, baby
I thought I heard you scream

Little lover, I can't get cha off my mind no
Little Lover, oh I've tried so hard to find
Someone to give me things I can give ya, ah!

Little lover, I can't get you off my mind, no no no
Little Lover, spend my life trying to find

You had my picture on your bedroom wall
next to Gary Glitter, yeah
I was standing on the stage playing rock 'n' roll
I was a guitar picker
Never had a record
Never had a hit
Ooh baby, you didn't mind a bit

Little lover, I can't get you off my mind

Little Lover, I've tried so hard to find
Someone like you, you, you
Baby I know you're a...
Little lovaah, oooh
