????????????

Any time of day  
Lookin' at a female  
Hey hey hey  
Gotta get up and ???????  
And run around the hay  
Makin' her sweat, ???????  
All through the day  
Now here it's gettin hot hot hot  
I said man it's gettin' hot hot hot  
It's getting hot out  
And hotter  
Man it's getting hot hot  
Getting hot around here  
It's a meltdown  
It's a meltdown  
I can feel it in my bones  
I been workin' my brains out  
All night long  
Stoke another fire  
Take them hard to the wall  
Burn the long log  
Burn them all  
Man it's gettin hot, hot, hot  
I said man it's getting hot, hot, hot  
It's getting hotter  
Getting hotter  
Man it's getting hot, hot  
Getting hot around here  
Yeah heh  
It's a meltdown  
It's a meltdown  
It's a meltdown  
It's a meltdown  
?????  
Man it's gettin' hot, hot, hot  
I said man it's getting hot, hot, hot  
It's getting hotter  
Getting hotter  
And hotter  
And hotter  
It's a meltdown

It's a meltdown  
It's a meltdown  
It's a meltdown  
It's a meltdown  
Gonna burn  
It's a meltdown  
I said gonna burn  
It's a meltdown  
Meltdown  
Meltdown  
It's a meltdown  
It's a meltdown
