See it on the television every day
Hear it on the radio
It ain't humid but it sure is hot
(Down in the Mexico)
The boy is try to tell me
Near enough to the edge beginning of the end
Say they've all been there
Too late my friend
Riff raff
Always good for a laugh, ha ha ha
Riff raff
Go on and laugh yourself in half

Now I'm the kind of guy that keeps his big mouth shut
It don't bother me
Somebody give me one arm up
Leave me in misery
I've never shot nobody
Don't even carry a gun
I ain't done nothing wrong
I'm just having fun
Riff raff
Always good for a laugh
Riff raff
Go on and laugh yourself in half
