Leave me alone
Like a dog with a bone
Like a stone that's been thrown
Let me be on my own
CHORUS:
Let me rock
Let me roll
Let me rock
Let me rock in peace
Outta my way
Got a boogie to play
Every dog has his day
Rock 'n' roll's here to stay
CHORUS
(Feels good, for my mama, just like I knew it would)
I get my kicks
Outta playin' my licks
Outta layin' my chicks
Down on Route 66
CHORUS

Rock, rock, rock in peace
Outta my way
Got a boogie to play
Every dog has his day
Rock 'n' roll's here to stay
CHORUS
Rock, rock, rock in peace
Like Little Richard
Oh Jerry Lee
Chuck baby
I wanna rock
Let me rock in peace
