Hello baby gimme your hand  
Check out the high spots the lay of the land  
You don't need a rocket or a big limousine  
Come on over baby and I'll make you obscene

Need a little lovin' in a big limousine  
Oooh, come on over baby and I'll make you obscene

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

All over the city and all of the dives

Don't mess with this place, it'll eat you alive

Got a lip smackin' honey to suck off the jam

I'm on top of the world ma, ready to slam

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

Runnin' all over like a jumpin' bean

Take a look at that thing in the tight assed jeans

Comin' your way, now, you might be in luck

Don't you fret boys, she's ready to buck

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

I feel safe in New York City

???????

New York

New York

New York

I feel safe in a cage in New York City  
??????
