She make the place a jumpin'
The way she move around
She like a romp and rollin'
That when she get it out
And when she start a rockin'
She bring me to the boil
She like to give it up some

new satellite blues
new satellite blues
new satellite blues
new satellite blues

A picture clear for watchin'
The dish is running hot
The box is set for pumpin'
she gonna take the lot
the way she get the ?
she's gettin set to ?
I like to chew it up some

new satellite blues
new satellite blues
new satellite blues
new satellite blues
yeah, yeah
new satellite blues

new satellite blues
new satellite blues
new satellite blues

can't get nothing on the dial
the frickin' thing's gone wild
all I get is the god damned news
new satellite blues
yeah

new satellite blues
new satellite blues
yeah
new satellite blues

new satellite blues
I got the satellite blues
new satellite blues
new satellite blues
new satellite blues

This thing's nothing but a load of crap
I'm gonna send it right back
You can stick it where it hurts, Mac

oh yeah
I got the new satellite blues
yeah
