She makes the place a jumping
The way she move around
She like a rump a rolling
Thats what she give it out
And when she started rocking
She brought me to a boil
She like to give it up some

New satile blues (New satile blues)
New satile blues (New satile blues)

I bet she clear for watching
The bitch is running hot
The sound sent for bumping
She gonna take the lot
And when she gets the bugy
She gets a sex a bowl
I like to chew it up some

New satile blues (New satile blues)
New satile blues (New satile blues)
New satile blues (New satile blues)
New satile blues (New satile blues)

Take you yet another day
Eveything you do
all i get is the yonger man blues
New satile blues

Guitar Solo

New satile blues (New satile blues)
