(Young/Young/Johnson)
You want love
Dirty dirty love
You want lust
Just a little lust
You wan' a bad reputation
You wanna better your score
I got the qualifications
I can open any door (ooh yeah)
[CHORUS:]
SEND FOR THE MAN, Yeah
SEND FOR THE
MAN, Yeah

You like a dream
Dirty low and mean
You're good enough to eat
Sticky hot and sweet
Need a shot of rhythm and lovin'
You make a black sheep a ram
This ain't a gun in my pocket
I got the goods in my hand
SEND FOR THE MAN, Yeah
SEND FOR
THE MAN, Yeah
