she gave me her mind,  
she gave me here body,  
but she gave it to anybody,  
she was number 9.99 on my \$3.00 list,

she got the jack, she got the jack  
she got the jack, she got the jack  
she got the jack' she got the jack  
she got the jack jack jack jack jack jack jack  
she got the jack

She gave me the Queen  
She gave me the King  
She was wheelin' and dealin'  
Just doin' her thing  
She was holdin' a pair  
But I had to try  
Her Deuce was wild  
But my Ace was high  
But how was I to know  
That she'd been dealt with before  
Said she'd never had a Full House  
But I should have known  
From the tattoo on her left leg  
And the garter on her right  
She'd have the card to bring me down  
If she played it right

She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, jack, jack, jack, jack, jack, jack  
She's got the jack

Poker face was her name  
Poker face was her nature  
Poker straight was her game  
If she knew she could get you  
She played 'em fast  
And she played 'em hard  
She could close her eyes

And feel every card  
But how was I to know  
That she'd been shuffled before  
Said she'd never had a Royal Flush  
But I should have known  
That all the cards were comin'  
From the bottom of the pack

And if I'd known what she was dealin' out  
I'd have dealt it back

She's got the jack, she's got the jack  
She's got the jack, and who knows what else?  
She's got the jack, yeah, yeah  
She's got the jack, she's got the jack  
She's got the jack, she's got the jack  
She's got the jack, jack, jack, jack, jack, jack, jack  
She's got the jack

She's got the jack, she's got the jack,  
Ooh, It was a bad deal, (Jack)  
She gave me the (Jack), hey  
She's got the (Jack), she's got the (Jack)

She's got the jack, she's got the jack  
She's got the jack  
She's got the jack, and it hurts!  
(She's got the jack)  
She's got the jack, jack, jack, jack, jack, jack, jack
