Come on and blow your mind
Ooh you're out of time
Ooh beat your chest
Join in like all the rest

Ooh shove'm back
Hey hey hey yes
Hey hey hey yeah

Seems like you run a mile
Hey try to unwind
Come on let's blow your mind
It's no use you ain't got time
Without a sound
Come on let's get around
Oh I hear the crash

Come on in and just smash, grab and take it
(Smash grab and take it)
(Awww awww awww)
While you can
Smash, grab and take it
(Smash grab and take it)
(Awww awww awww)
Hey hey hey yeah

Why don't you come out
Come on run it to the ground
You're gonna blow your mind
You're gonna pulverize
Once you've come up late
You gotta pick up straight
It's gonna blow your mind
And all the living's gone

Smash, grab and take it
(Smash grab and take it)
(Awww awww awww)
Take it for yourself
Smash, grab and take it
(Smash grab and take it)
(Awww awww awww)

Take it take it take it yeah

Ooooh steal the money
I'm taking while I can
Come on let's blow your mind
Hey hey hey yeah

Shoot 'em right down
Oooh take it while you can
Come on let's blow your mind
Smash, grab, take it
(Awww awww awww)
Hey hey hey yeah
Smash, grab and take it for yourself
(Awww awww awww)
Smash, grab and take it
