(Intro)

We all came down from montraux, on the lake geneva  
shoreline  
To make records with a mobile, we didn't have much  
time  
Frank Zeffer and among others, were at the best place  
around  
Till some stupid with a flaregun, he burned the place to  
the ground  
Smoke on the water, fire in the sky, smoke on the water

They burnt down the gamblin house, it died with an  
awful sound  
Funky claude was runin in and out, pulin kids from the  
ground  
When it all was over, we had to find another place  
Swiss time was runin out fast, we're gona lose our race  
Smoke on the water, fire in the sky, smoke on the water

(Guitar Solo)

We ended up at the grand hotel, it was empty cold and  
bare  
With the rolling truck stones just outside, we made our  
music there  
A few old red lights and a few old beds, we made a  
place to sweat  
Well no matter what we get out of this, well i know we'll  
never forget  
Smoke on the water, fire in the sky, smoke on the water
