(Young/Young/Johnson)

Put on the headset, get on the stage

Out on a midnight escapade

Didn't want to steal your thunder

Wouldn't want to play your game

Makin' all the headlines, gettin' on the front page

Didn't even know her number

Didn't even kno

w her name

[CHORUS:]

STAND UP, STAND UP and take it

STAND UP, STAND UP and make it

STAND UP, STAND UP and face it

STAND UP

Get on the red dress, slip on the lace

Up for a high heel and a pretty face

Woman wanna get you under

Woman wanna get you

tame

Lovin' on a hot night

Stokin' up the flame

Didn't wanna know her number

Didn't wanna know her name

[REPEAT CHORUS]

You can make it

[REPEAT CHORUS]
