(Razor's Edge)  
(Edge)  
(Razor's)

There's fighting on the left  
And marching on the right  
Don't look at me they scared  
Your gonna die of fright

Here comes, The razor's edge

Your living on the edge  
Don't know left from right  
They're breathing down your neck  
Your running out of lives

And here comes, The razor's edge  
Here comes, The razor's edge  
The razor's edge!  
(Razor's Edge)  
The razor's edge  
(Razor's edge)  
Took him to shreds!  
The razor's edge!

{Solo}

Here comes, the razor's edge (2x's)

Well here it comes  
Took him to shreds  
The razor's edge  
It's the razor's edge!

Well the razor's edge  
Took me down to shreds  
The razor's edge  
Well the razor's edge

{Song Ends}
