I've been up to my neck in trouble
Up to my neck in strife
Up to my neck in misery
For most of my life I've been a fool
And you know what a fool can do
I'm tellin' you
(The trouble was I needed you)
Now I'm up -- up to my neck in you
I've been up to my neck in pleasure
Up to my neck in pain
Up to my neck on a railroad track
Waitin' for a train
To toot on through
I was feeling my time was due

(The trouble was) ????
Now I'm up -- up to my neck in you
I've been up to my neck in whiskey
Up to my neck in wine
Up to my neck in ????
Guess this ????? wasn't mine
I was a loser,
Yeah, I lost it
Baby you were too good,
Too good to be true
What you got no-one else can do
Now I'm up -- up to my neck in you
(The trouble was I needed you)
Now I'm up -- up to my neck in you
