Out of my way I'm running high
Take your chance with me and I'll give it a try
Ain't no woman in the world I know
'Cause I ain't looking for (an overflow?)
Oh baby I ain't got much
Resistance to your touch
Take off the high heels, let down your hair
Paradise ain't far from there

I'm gonna walk all over you
I'm gonna walk all over you
Do anything you want me to, for you
I'm gonna walk all over you

Reflections on the bedroom wall
And there you thought you'd seen it all
We're rising, falling like the sea
You look so good under me

I'm gonna walk all over you

I'm gonna walk all over you
Do anything you want me to do to you
I'm gonna walk all over you

(Roaming, roaming, stayin' alive)(?)
So gimme the stage, I'm gonna steal the show
Turn on the music, turn off the lights
Tonight is gonna be the night

I'm gonna walk all over you
I'm gonna walk all over you
Do anything you want me to
I'm gonna walk all over you

Ow.
I'm gonna walk all over you
