Out of my way I'm running high  
Take your chance with me and I'll give it a try  
Ain't no woman in the world I know  
'cause I ain't looking for (an overflow? )  
Oh baby I ain't got much  
Resistance to your touch  
Take off the high heels, let down your hair  
Paradise ain't far from there

I wanna walk all over you  
I wanna walk all over you  
Do all the things you want me to, babe  
I wanna walk all over you

Reflections on the bedroom wall  
And there you thought you'd see it all  
We're rising for the life to see  
You're looking so good under me

I'm gonna walk all over you  
I'm gonna walk all over you  
Do all the things you want me to do to you  
I'm gonna walk all over you

????  
So get off those ????, I'm gonna steal the show  
???? turn off the light  
Tonight is gonna be the night

I'm gonna walk all over you  
I'm gonna walk all over you  
Do everything you want me to  
I'm gonna walk all over you
