(By Bon Scott, Malcolm Young & Angus Young)

[Verse 1:]

You can roll me round your finger  
You can roll me if I'm blind  
You can roll me tally ho ho,  
I'm easy rollin' kind.  
But don't think I'm facin' down hill,  
'Cause you'll soon see,  
You'll lose yo  
ur grip and slip,  
'Cause you ain't got a hold on me.

[Chorus:]

You ain't got a hold on me,  
You ain't got a hold on me,

Why don't you let me free,  
'Cause you ain't got a hold on me.

[Verse 2:]

You can take me to your bedroom,  
You can take me to y  
our heart,  
You can take me to a climax,  
I won't fall apart.  
But don't count on me givin' it  
All back to you,  
Just because I'm hooked on livin'  
Doesn't mean I'm hooked on you.

[Repeat chorus]
