She was a fast machine, she kept her motor clean
Was the best damn woman that I ever seen
She had the sightless eyes, telling me no lies
Knocking me out with those American thighs

Taking more than her share, had me fighting for air
She told me to come but I was already there
The walls start shaking, earth was quaking
My mind was aching, we were making it

And you shook me all night long
Yeah, you shook me all night long

Working double time on the seduction line
She's one of a kind, she's just mine, all mine
Wanted no applause, it's just another course
Made a meal outta me and come back for more

Had to cool me down to take another round
Back in the ring to take another swing
The walls start shaking, earth was quaking
My mind was aching, we were making it

And you shook me all night long
Yeah, you shook me all night long
You got me goin', shook me all night long
You had me shaking and you shook me all night long
Yeah, you shook me, baby, you took me

You shook me all night long
Yeah, you shook me all night long
You really got me and you shook me all night long
You got me goin' and you shook me all night long
Yeah, you shook me then you took me all night long
