This ain't the way

I spend my mornings, baby

Come stai?

You've been with him,

And you've come back, lady

Hei, what's he like?

I just sit and watch the ocean

With myself even I do my own cookin'

You ca laugh, you're forgiven, but

I'm no longer frightened to be livin'

Chorus:

Senza una donna

No more pain and no sorrow

Without a woman

I'll make it through tomorrow

Senza una donna

Givin me torture and bliss

Without a woman

Better like this

There is no way

That you can buy me, baby

Don't make fun

You got a dig, a little deeper, lady

In your heart

Yeah, if you have one

Here's my heart, feel the power

Look at me, I'm a flower

You can laugh, you're forgiven, but

I'm no longer frightened to be livin'

Chorus:...

Oooh, I stay here and watch the ocean

Don't know why, I keep on talkin'

You may laugh, you're forgiven, but

I'm no longer frightened, maybe, ti be livin'

Senza una donna...

Without a woman...

Senza una donna...

Without a woman...

Vieni qui! Come on in

Senza una donna

I don't know what might follw

Senza una donna

Oh, maybe from tomorrow!

Senza una donna

Givin' me torture and bliss
