"Bound To Be"

Well I'm bound to tell you a story that just happened to me

Bound to break down and bound not to break even

I was feeling lonely like a Soledad Brother

You came into my life and loved me like a mother

I'm bound

Caught up

Aha

Was bound to be

Don't you know that

Our love

Was bound to be

You go from A to B

It's just like falling out of trees

It's as easy as 1-2-3

You shone a light in my life that could light up Park Lane

I was feeling nervous 'cause I'd missed my gravy train

Now there's no need to keep on running with the pack

'Cause I know pretty soon I'll come running back

I'm bound

Caught up

Aha

Was bound to be

Don't you know that

Our love

Was bound to be

You go from 1 to 3

It's just like 'Air on a G String'

Easy as A-B-C

Too much of nothing and it just won't pay the rent

Can't take insurance out on General Accident

Now there's no need to keep on running with the pack

'Cause i know pretty soon that in the end I'll come
running back

Don't you know that.
