Matchbox (Carl Perkins)

I said I'm sittin' here watchin'
Matchbox hole in my clothes.

*repeat

I ain't got no matches but I sure
got a long way to go.

I'm an ol' poor boy, and I'm a
long way from home.

*repeat

I'll never be happy cause everything I've
ever did was wrong.

Well, If you don't want my peaches honey,
please don't shake my tree.

*repeat

I got news for you baby, leave me here in
misery.

Well, let me be your little dog, till your
big dog comes.

*repeat

And when your big dog gets here, watch how
your puppy dog runs.

First Verse.
