Here they come
Here they come

(Here they come, yeah)
Well, some are walking, some are riding
(Here they come, yeah)
And some are flying, some just gliding
Released after years of being kept in hiding
They're climbing up the ladder rung by rung

(Enter the young, yeah)
Yeah, they've learned how to think
(Enter the young, yeah)
More than you think they think

Not only learned to think but to care
Not only learned to think but to dare
Enter the young

Yeah, here they come
Well, some with questions, some decisions
Here they come
And some with facts and some with visions
Of a place to multiply without the use of divisions
To win a prize that no one's ever won

Enter the young
Yeah, they've learned how to think
Enter the young
More than you think they think

Not only learned to think but to care
Not only learned to think but to dare
Enter the young
Enter the young

Here they come, yeah
Well, some are laughing, some are crying
Here they come
And some are doing, some are trying
Some are selling, some are buying
Some are living, some are dying

But demanding recognition one by one

Enter the young
Yeah, they've learned how to think
Enter the young
More than you think they think

Not only learned to think but to care
Not only learned to think but to dare
Enter the young, yeah, enter the young, yeah
Enter the young, yeah, enter the young, yeah
Enter the young
