In my most secure moments, I still can't believe
I'm spending those moments with you
And the ground I am walking, the air that I breathe
Are shared at those moments with you

You love for real, you show the feel
Of everything that touches you

In the songs I've been singing, quite often a phrase
Comes close to the feeling of you
But I never suspected that one of those days
The wish of a song would come true

You love for real, you show the feel
Of everything that touches you

You are of gracefulness, you are of happiness
You are what I would guess to be most like
What I've been singing of
Love, love, love, love

In the songs I've been singing, quite often a phrase
Comes close to the feeling of you
But I never suspected that one of those days
The wish of a song would come true

You love for real, you show the feel
Of everything that touches you
Love, love, love, love

Everything is love, love
Love, love, love, love
Love, love, love, love
Love, love

Everything is love, love
Love, love, love, love
Love, love, love, love
Love, love

Everything is love, love
Love, love, love, love

Love, love, love, love
Love, love
