When You
First Came To Me, I wasn't Sure, What Kind
of Game it would be.
But surprise, of surprises,
You were so kind to me,
oh, my lady- so kind to me.

And the way...you would tease me,
Soon began, began to please me.
And surprise, of surprises,
you were so kind to me.
Oh. my lady.

Straight through the middle of the way
I was contentedly living.
Who's have thought you would ever stay
through the playwright's plot so timeless?
Who'd have thought you would save the day,
make each moment timeless?
Who'd have thought you would ever stay?

When you, first came to me,
I wasn't sure, what kind of game it would be.
But surprise , of surprises,
you were so kind to me, oh my lady,
Oh so kind to me, oh my lady....

You were so kind to me.
