I kicked off my shoes and felt the good earth under my feet

I loosened my tie and felt what it feels like to breathe
I found the secret to life, I took some time for livin'

I took off my watch and found I had all the time in the world

I opened my arms, so I could hold life like a beautiful girl

I laid down, all of my hang-ups forever

I looked around and saw what sweet things can be found

Simply by taking some time for livin'
Groovin' on little things life is givin'
From now on I'm takin' time for life

Too busy to stop and notice the things that are real
Embarrassed to talk, about all the things that I feel
It's so strange, never noticed the world all around me

Hey, look I've changed, my attitude's been rearranged
From now on I'm takin' some time for livin'
Groovin' on everythin' life is givin'
I'm gonna be takin' time for life

(For livin')
Groovin' on everythin' life is givin'
I'm gonna be takin' time for life
(For livin')
Groovin' on everythin' life is givin'
I'm gonna be takin' time for life

(For livin')
Groovin' on everythin' life is givin'
I'm gonna be takin' time for life
(For livin')
Groovin' on everythin' life is givin'
I'm gonna be takin' time for life

(For livin')
Groovin' on everythin' life is givin'
