Visit "[Signs](#)" on MotoLyrics.com

Every word has left it's mark
And slowly healing wounds
Thoughts about what might have been
A promise made to soon

I've gone to sleep
I can't breathe, but I dream
I thought I knew all the right signs

Showing all the confidence
And seeing only fear
Walls that weren't broken down
And eyes forever tear

I've gone to sleep
I can't breathe, but I dream
I thought I knew all the right signs

All the loneliness, all the solitude
Where are all the miracles
All I have is song, it's where I belong
Now it's time to wake up

Love was a thorn in a heart
With no pain
I thought I knew all the right signs...
