How to Say? How to tell?
How I can express my feelings?
It's like I'm living in a dream,
See me on the front cover of a magazine.

Life is awesome,
Life is fantastic.
My life is full of happiness,
That's why I'm saying.

I'm a citizen of a good life,
I'm a citizen of a wonderful life.
I'm a citizen of a colorful life,
A citizen of a good life.

Think you wanna be just like me,
A citizen of a wonderful life.
Can't believe that I'm so lucky,
Having this life like a dream.
I'm a citizen, I'm a citizen of a wonderful life.
(I'm a citizen, I'm a citizen of a good life)

Other superstars wants to know, What I'm doing next?
When I'm walking on the road,
Everybody stops.
Having this life like a desire,
Clicking pictures and styling all the time.

Life is awesome,
Life is fantastic.
My life is full of happiness,
That's why I'm saying.

I'm a citizen of a good life,
I'm a citizen of a wonderful life.
I'm a citizen of a colorful life,
A citizen of a good life.

Think you wanna be just like me,
A citizen of a wonderful life.
Can't believe that I'm so lucky,

Having this life like a dream.
I'm a citizen, I'm a citizen of a wonderful life.
(I'm a citizen, I'm a citizen of a good life)

I'm a superstar, I'm a rockstar.
Loving every minute of it.
It's a crazy life,
Don't easy to survive.
I always get what I want.

Life is awesome,
Life is fantastic.
My life is full of happiness,
That's why I'm saying.

I'm a citizen of a good life,
I'm a citizen of a wonderful life.
I'm a citizen of a colorful life,
A citizen of a good life.

Think you wanna be just like me,
A citizen of a wonderful life.
Can't believe that I'm so lucky,
Having this life like a dream.
I'm a citizen, I'm a citizen of a wonderful life.
(I'm a citizen) I'm a citizen of a wonderful life.

See me on the front cover of a magazine.
