\*\*\*verse 3\*\*\*

ayeee, I'm the fly young kid out the L.O.U,  
I stay fresher than a par of them nike shoes,  
got my fitted, gold grill and my blockas to,  
I treat a nigga like a clock, put his ass on snooze,  
I don't deal with you haters hell nah not me,  
see one or two a nigga,  
I can't see, Heard you niggas congregating, plotting,  
talking bout me,  
cause I'm a A.S.C nigga you can't do it like me,  
spread your rumors if you want, you can talk if you  
need,  
I'm a boy from the hood, don't put ya hands on me,  
cause all that chit, chatter turn to ratta tat tatta,  
when a hater focus on some shit that really don't  
matter,  
So keep it moving hater stay out my way,  
don't worry bout another nigga business that's gay,  
aye!! these is hatablockas those are shades,  
don't be a groupie, keep it moving bitch like T.I.  
say.....

\*\*\*CHORUS\*\*\*

i got my hata blockas on (x6)

nigga step up out my way cause you all in my zone  
i got my hata blockas on (x6)  
Nigga talk too much  
pussy nigga its on..
