Name I WON'T LET YOU DOWN

Interpret Ph.D.

Jahr 1981

Schreib"r Diamond/Hymas

You ask me if I'm happy here,

No Doubt about it,

You ask me if my love is clear,

Want me to shout it.

Gave you the best years of my life, woman.

I know I failed to treat you right, but woman,

Don't let me out of here,

Oh, don't let me out of here.

I won't let you down, I won't let you down again.

I won't let you down, I won't let you down again.

You say our love is running one way,

Coming from your side,

No help from me to see it through,

To beat the high tide.

Take me and chain me if yu please, woman

Don't help me dig deeper my grave, oh woman,

Don't let me out of here.

Oh, don't let me out of here.

I won't let you down, I won't let you down again.

I won't let you down, I won't let you down again.

I won't let you down, I won't let you down again.

I won't let you down, I won't let you down again
