I was busy minding my own business  
Simply trying to stay on top of my game  
Never thinking about consequences  
Always finding me somebody to blame  
But then it came together  
When I read this letter  
A message from somebody named Paul  
He wrote of One who bought me  
All the things he taught me  
I really thought I'd heard it all

[Chorus:]

Get to the point: I will if you ask me  
Get to the point how have you changed?  
I was on sinking ground  
Until He turned me around  
And I know I'll never be the same  
Get to the point: I'm trying to tell you  
Get to the point what have you done?  
It is not what I've done  
But what He's doin' for me  
And I know we've only just begun

We've only just begun

Now I'm busy mindin' my Father's business  
Tryin' to do what He told me to  
And I still have that wonderful letter  
Knowin' every time I read it it's new  
Today I never worry  
My vision's never blurry  
I've found Someone to handle the stress (Jesus)  
I know you really need Him  
So would you like to meet Him  
I'm prayin' that the answer is yes

[Repeat Chorus]

[Bridge:]

All your efforts will be in vain (No matter what you do)  
Trying to save yourself will drive you insane (He sees  
you through and through)

Crossing that final change with confidence (I'm  
crossing that line)  
Is what you can do through His providence

[Repeat Chorus] (x2)
