[Chorus 1:]

I will rise up and call you blessed
I will stand up and sing your praise
I will kneel down before your altar
I will bow down before your throne

I love you Father
Creator of all life
I love you Jesus
The bright and morning star
I love you Spirit
You're welcome in my heart
Mighty Jehovah
I glorify your name

[Chorus 2:]

I will rise up and call you blessed (blessed Jesus, the Lord)
I will stand up and sing your praise (praise your name)
I will kneel down before your altar (down on my knees)
I will bow down before your throne (before your throne)

I love you Family
The pleasure of my life
Brothers and sisters
You help me do what's right
I love my leaders
You guide me to the light
Mighty Jehovah
I glorify your name

[Repeat Chorus 2]

I love the Bible
The words that give us life
Praying together
And lifting praises high
Sharing together
Our Savior Jesus Christ
Mighty Jehovah
We glorify your name

[Repeat Chorus 2] (x2)
