[Chorus:]

Let's sing praises to God  
Praises to God  
Clap your hands together and sing  
Praises to God  
Let's sing praises to God  
Praises to God  
And listen to His mighty voice

[Repeat Chorus]

I like to play baseball  
And I like to play football  
And I like to run around in the sun  
But, most important of all  
One thing I do above all  
Is singing praises unto the Lord

[Repeat Chorus]

I like to watch movies  
And I like to hit the arcade  
And I like to run around in the mall  
But, all of this is nothing  
Compared to praise and worship  
And singing praises unto the Lord

[Repeat Chorus]

We like to eat pizza  
And we like to go swimming  
And we like to play lazer tag  
But, nothing's more important  
Exciting and eternal  
Than singing praises unto the Lord

[Repeat Chorus] (x2)
