[Chorus 1:]

Everyone in the world should worship
And honor the Lord
Everyone in the world should worship
And honor the Lord

The Lord made the heavens
And everything in them
He scooped up the ocean
And filled it with water
As soon as He spoke the word
The world was created
And at His command
The earth and everything else was formed

[Chorus 2:]

Everyone in the world should worship
And honor the Lord (worship the Lord, worship the
Lord)
Everyone in the world should worship
And honor the Lord (worship the Lord, worship the
Lord)

The Lord is so faithful
And He can be trusted
O Jesus loves fairness
And Jesus loves justice
He's showing his kindness
Without reservation
To everyone
And in every nation

[Repeat Chorus 2]

You're the Lord's people
Obey him and celebrate
He is deserving
Of all of the praise we make
So sing a new song and shout
Make beautiful music
And praise Him with all your heart
Make music with everything

[Repeat Chorus 2] (x2)
