Excuse I'm takin' to you...hey...

[Pharrell talking]

Aye girl, I just want to talk to you for a minute...Ow

[Verse 1 - Pharrell]

Manolo pumps is tappin' and your lips stick's red

(we're just eye fuckin, eye fuckin)

Your Louis purse and I just think I love your hair

(we're just eye fuckin, eye fuckin)

Meet me in the hallways where the bathrooms are

(we're just eye fuckin, eye fuckin)

Can you drive a stick I wanna know I'll be your car

(wooo)

[Chorus]

I see that look in your eyes, I wanna touch you

(Baby)

Are you by your self tonight, I wanna touch you

(Baby)

I see that look in your eyes, I wanna touch you

(Baby)

Excuse me I'm talkin to you...hey

[Verse 2 - Pharrell]

I can imagine havin my arms around you back

(we're just eye fuckin, eye fuckin)

And I can imagine your heart beat pumpin through your chest

(we're just eye fuckin, eye fuckin)

I hope it goes beep beep, beep beep, beep beep

(ooh girl)

beep beep, beep beep,

Excuse me I'm talking' you

(hey)

[Chorus]

I see that look in your eyes, I wanna touch you

(Baby)

Are you by your self tonight, I wanna touch you

(Baby)

I see that look in your eyes, I wanna touch you
(Baby)
Excuse me I'm talkin to you...hey

[Verse 3 - Nelly]

As I look through the crowd of the pupils into ya pupils
Yea boo I see you too, Damn right I wanna do you too
In ya eyes I can tell what you thinkin'
Why ain't we somewhere hot for the weekend
Seafood eatin', I heard you like Red Lobster
You the type might like to sun bathe
Jump off the yacht and jet ski the runway
I give it to you like (uhh)
Wanna moan and scream out (baby)
Do the things that will make you say (uhh)
Damn right I spoils my (baby)
It ain't nuttin to me I'm (uhh)
+billion dollar boy+ type (baby)

[Hook]

Girl you ain't gotta close your eyes or wish real hard or
click your heels
(your heels)
I can make everything that you feel be real
(yea)

[Chorus 2X]

I see that look in your eyes, I wanna touch you
(Baby)
Are you by your self tonight, I wanna touch you
(Baby)
I see that look in your eyes, I wanna touch you
(Baby)
Excuse me I'm talkin to you...hey

[Beat fades, Pharrell Talking]

Can I splash you with uh, champagne
Um, you wanna roll up a 100 dollar bill and use it as a
straw
Bye baby
