When I'm with you,
I feel Naked And Sacred
And this world can be so cold
I wanna hold you Naked And Sacred
Till I grow old
What does love mean?
Can love last?
I ask myself these questions
Haunted by the past
I've walked these city streets
I've known victories and defeats
Serchin', hopin', just barely copin'
Baby I want to be good for you
I want to be true
Don't know how I'd live with myself
If I ever hurt you
When I'm with you,
I feel Naked And Sacred
And this world can be so cold
I wanna hold you Naked And Sacred
Till I grow old
Since I met you
My life's changed
I feel like a bird
That's been let out of its cage
Baby I want to be good for you
I want to be true
Don't know how I'd live with myself
If I even hurt you
When I'm with you,
I feel Naked And Sacred
And this world can be so cold
I wanna hold you Naked And Sacred
Till I grow old
Bridge:
Your hand's healin' me,
Your love's filling me
When you go away,
Your heart's still in me
When I'm with you
I feel Naked And Sacred

And this world can be so cold
I wanna hold you Naked and Sacred
Till I grow old
When I'm with you
I feel Naked And Sacred
Next to your heart of gold
I wanna hold you Naked and Sacred
Till I grow old
