WANNA SEE MY GIRL

donâ€™t want no king on my hilltop
donâ€™t want no green grass or shortstop
donâ€™t want no evergreen tall pine
just want the one who makes me feel fine,

donâ€™t want no airplane to fly
donâ€™t wanna be dead or alive,
donâ€™t need no fast car or high dive
just wanna see my girl
just wanna see my girl,

sheâ€™s so fine
sheâ€™s so sweet
i know that she belongs to me
and nothing else iâ€™ll ever have
will mean as much as she does to me,

donâ€™t want no magical wand now
donâ€™t want no one to turn me on now,
donâ€™t want to sing about the sun now
just wanna see my girl
just wanna see my girl

donâ€™t need a logical answer
donâ€™t want a loveable dancer
donâ€™t need a magical trancer
just need my girl
just want my girl just need my girl.
