You bet you are a fucking whore  
Riving in throbbing false emotion  
Teasing and evoking blood flow  
Pushing the pressure higher and higher  
Verticle smile tells some  
Telling of passed filth encounters  
Puckering for hydration  
Puckering for hydration  
The eagle is sedentry  
Lying like a recently coming corpus

I imagine taking part  
Senses a fever hair on end  
Delusions of happy times  
Changing past indisgrations  
Forseeing empathy  
Seeing compassion  
I tell you what you want  
Whore  
I tell you what you need  
Fucking whore  
I tell you fuck you bitch  
Fuck you bitch.
