

Khindy Joka

"Medicine"

Visit "[Medicine](#)" on MotoLyrics.com

It seems like my life dream have changed now I still
intent on being a nurse pilot and doctor But the same
field of medicine Verse:I Huh! wapinzani wanadai hili
game gumu, kukituliza kitenesi Na mfano wangu si
wakuigwa kama una roho nyepesi Wanajaribu batilisha
ukweli kua kesi Wanifanyishe utumwa kwa utwana Kwa
rehema zake nabadili hali mbaya kua njema Na hali
njema kua bomba zaidi ya jana Niite King the Joka
ndani ya pango mlima mbeya nachoropoka Nipishe
nipite snitch, hii story ya kweli inakuhusu inaku-touch
Hata hata kwa bila hizi kiki Kwa nn ni-puff cha kisizo?
na naweza nika-puff the hole stik Chorus: Hii ndiyo
dawa kwa ma-snitch na wambeya Hii ndiyo dawa, hii
ndiyo dawa.... Hii ndiyo dawa....mmgh Hii dawa kwa
dunia nzima Hii ndio dawa kwa ma-snitch na wambeya
Hii ndio dawa, hii ndiyo dawa.... Hii ndiyo dawa....mmgh
Hii dawa we call it medicine Verse:II Hiki ni
kindimbwindimbwi Dunia imechafuka kwa haya
mawimbi Masakubimbimbi wakachukua deal na
kulipotezea jiwe la msingi Ona sasa wengi wangukia
pua na refa anapeta tu, wala hapigi filimbi Ni busara
wala si ujuzi unaohitajika zaidi Napata kutafakari ni
jinsi gani nimefika hapa nilipo Wacha nimshukuru
almighty Kwani nilipo ni njia ya wito Malengo yangu
yapo katika kufika kwangu Nafika kuzimu na kurudi
nikikuletea ushuhuda Hawawezi kutembea jinsi
navyotembea na sintoacha hata kama wakivimba
Nadhani ushanipata ni aina gani ya bunduki namiliki
Hivyo unapoteza muda wako bure kunisakanya na huo
mkuk-iiiiiiii Chorus:
