(Verse 1)

I remember way back
You was stuck up in my head like a wave cap
And your hug turned me into a dove
Shawty I can fly the sky with your love
No boundaries what Iâ€™m tryna do
Start from the bottom then build a roof
Now I feel the pain like a heart attack
Like I said something wrong â€œlet me take it backâ€
Back to the days when â€œyouâ€ was â€œusâ€
Back to the days when I had a crush... On you
Chicka, Chicka, Chicka, One Two
Me and you see our swag like a blue moon
Thatâ€™s rare tho, rare tho
No wonder they be looking like some weirdos
When we walk out they stare tho
Cause them diamonds shine bright up in your ear loft
like..
Shine bright like diamond sh-shine bright like a
diamond

(Hook)

Iâ€™ve become so numb I canâ€™t feel you there
Become so tired so much more aware
Becoming this but all I want to do, to do, to do (Aye
what we gonna do?)
Is Press Rewind (And bring it right back)
Rewind (And bring it right back)
Rewind (And bring it right back, we can bring it right
back, br-bring it right back)
Rewind (And bring it right back)
Rewind (And bring it right back)
Rewind (We can bring it right back, br-bring it right
back, br-bring it right back in time)

(VERSE 2)

Shawty bring right back
Like a Rerun hit rewind play it right back
Iâ€™ve been lowkey but I came right right back
We can fly around the world shawty how you like that?
I know you love when I flow acapella

Shawty we can rock like Rocafella
I might be dope but I think you coola
Shining like a diamond let me thank yo jeweler
"Hoop da hoola" going in circles
I be geeked up like my name is Urkel
On top of the world you the top of the line
Put your guard up but IÂ'm willing to climb
A mountain, swim in a fountain
Shawty number one you know I ain't even counting
Â"BLAAHHÂ" I just threw up
Shawty swag sick like Â"YUCKÂ"
Do you remember the time? Do you remember the
time?

(Hook)

IÂ've become so numb I canÂ't feel you there
Become so tired so much more aware
Becoming this but all I want to do, to do, to do (Aye
what we gonna do?)
Is Press Rewind (And bring it right back)
Rewind (And bring it right back)
Rewind (And bring it right back, we can bring it right
back, br-bring it right back)
Rewind (And bring it right back)
Rewind (And bring it right back)
Rewind (We can bring it right back, br-bring it right
back, br-bring it right back in time)

(BRIDGE)

Do you remember the time
When we fell in love
Do you remember the time
When we first met
Do you remember the time
When we fell in love
