Most merciful God  
We confess that we have sinned against you  
Forgotten who we are  
By what we have done  
And what we have left undone  
Most merciful God  
We have not loved you with our whole hearts  
We've not loved each other  
As we have loved ourselves  
This is my confession

### CHORUS

This is my confession  
The profession of my faith  
Do you see me falling  
On my knees and to my face?

Reveal in me what I've concealed  
And I'll turn from sin and you will heal me  
And my house.

Most merciful God  
We are truly sorry, and humbly repent  
For the sake of your Son  
And our Savior, Jesus Christ  
This is my profession.  
Most merciful God  
Have mercy on me, and forgive me  
That I may delight in your will  
And that I may walk in your ways  
To the glory of your name.
