[ Raydog Benzino ]

It was 1987, the year we dropped "Notorious", it's all good

We already gettin mad props in our neighborhood  
Just then our crew would start to rearrange  
We never knew but in just one year our lives would  
forever change

Shit started goin wrong right before my very eyes  
It's so fucked up my nigga Big T had to die  
So now the next two months we blazin up this fuckin  
town

And when Tony Rhome went to jail we were still down

[ Tony Rhome ]

Fresh up out my cell, back where the drama dwells  
And I can see shit done changed in my crew  
But the faces I see now are the niggas that stay true  
For one year it's been tough but still my troopers made  
it through  
(That's how they do) That's how we do

[ E-Devious ]

And for that year Rhome was locked, me, Jeff and Dog  
didn't do shit  
Didn't write a rhyme, made no music  
But never to lose it, still believe in the only thing I know  
(What's that?) And aiyo, that's forever RSO

[ CHORUS ]

We Rock Shit On  
RSO Forever  
Yeah, Real Strong Organizations roll together  
Forever RSO  
We Rock Shit On  
RSO Forever  
Yeah, Real Strong Organizations stay clever  
Forever RSO  
We Rock Shit On  
RSO Forever  
Yeah, Real Strong Organizations don't sever  
Forever RSO

We Rock Shit On  
RSO Forever  
Yeah, and RSO niggas to the death'll stay together

[ E-Devious ]  
Now it's '89, and the strength is like a million  
And we were so organized you would think we were  
Sicilian  
I had this feelin that we's about to blow  
We got Rock, Tommy Boy, plus a dope fuckin stage  
show

[ Tony Rhome ]  
'92, shit still fucked up  
Hooked up with Tommy Boy, they tried to play us  
But fuck em, we don't need no fuckin favors  
They bitched up, switched up over controversial lyrics  
When controversy's something my crew lives with

[ E-Devious ]  
Got these muthafuckas kickin sand (damn)  
We tryina do a show in our own hometown and we  
gettin banned  
'94 down with RCA, we still seein courts  
Cause we beat these writers down from The Source

[ Raydog Benzino ]  
It seems like everywhere we go a black cloud's floatin  
by  
Our destiny is doomed, but I don't ask why  
One thing I do know is my niggas on my team'll have  
my trust  
No snitchin, loyalty's a must

[ Tony Rhome ]  
Yeah, so I takes the good with the bad  
Through all that bad I've had to take  
I'm glad I'm not that type that's quick to break  
And call it quits, but I can't quit  
Cause I been through too much bullshit  
And that goes for the niggas that I runs with

[ E-Devious ]  
Yo, I love my team, and I didn't earn my ( ? )  
Get burned into a term called partner

[ Raydog Benzino ]  
Nah, cause if this shit was gonna end it woulda  
happened long time ago  
A-ah, fuck that, nah, Forever RSO

[ CHORUS ]

[ Raydog Benzino ]

Ah yeah

You know this one gotta go out to them niggas up in  
Dorchester, Mattapan, Roxbury, South End, Columbia  
Point, JP

Yeah, to my nigga Trevor Ying-Yang

Yo, and most of all to my nigga Go-Go Dave

See, cause without him none of this would be possible

And yo, the only thing that's gonna stop RSO is RSO

Forever
