Stained and dirty  
In the eyes of a king  
Tattered and tarnished  
Will I ever be clean  
Oh

But he is spotless and holy  
And I can never compare  
In the sinful garments I wear, oh  
But Jesus stepped between the father and me  
Now the way that he sees his son  
Oh, I'm justified  
Oh, it's just as I  
Had never, no,  
No never sinned before  
I'm justified  
Because Jesus died  
And now God will see my sins no more  
Oh, I'm justified  
Just as I  
Had never
