Have you ever been between a rock and a hard place
Well, I used to be right there in between
Just facing the world with my back to the wall
That was me, before I turned to find Jesus
And though I did not escape this difficult place
My footing is sure, and I will not be shaken

CHORUS:

He put my feet on a Rock, out here in this hard place
In the light of His glory, in the light of His grace
On that Rock
All the things of this world grow strangely dim
They fade away
On that Rock
Out here in this hard place
I know there's nothing I can't face
So now I'm standing on the Rock

I see you there between a rock and a hard place
Like I used to be, stuck in between
Facing the world with your back to God
You will see, when you turn to find Jesus
Although you will not escape this difficult place
Well, you can be sure of the stand you are taking

(Chorus)

Just put your feet on that Rock, out here in this hard
place
In the light of His glory, in the light of His grace
On that Rock
All the things of this world grow strangely dim
They fade away
On that Rock
Out here in this hard place
I know there's nothing I can't face
When I'm standing on the Rock in a hard place

Oh, gotta be standing on solid ground
Oh, gotta put my feet, gotta put my feet
On the Rock out here

(Chorus)

He put my feet on a Rock, out here in this hard place
In the light of His glory, in the light of His grace
On that Rock
All the things of this world they grow strangely dim
They fade away
On that Rock
Out here in this hard place
I know there's nothing I can't face
So now, I'm standing on the Rock in a hard place

When I'm standing
Oh, I've got to be standing
Standing on the Rock
Oh, I've gotta be
I've gotta be
On Christ the solid Rock I stand
All other ground is just sinking sand
Oh, yeah, yeah, is just sinking sand
Oh, gotta put my feet
Gotta put my feet
Gotta put my feet
On the Rock of my salvation
Yeah, ooh yeah, oh yeah
Put my feet on the Rock
Put my feet on the Rock
