What a beautiful smile  
A radiant girl  
Fell in love first time I saw her  
She stays on my mind  
Iâ'd give anything  
To know everything about her

Pre-Chorus:

Thereâ's light in her eyes  
And I know itâ's all for him  
She carries on and on  
Like he was her best friend

Chorus:

Sheâ's in love (echo)  
Itâ's not hard to see  
But I would like to believe it was with me  
Someone got a hold of her heart  
And he wonâ't let go  
And I know  
Sheâ's in love

Verse2:

She looks to the sky  
When she talks about him  
She believes he hung the moon  
Said he had to go away  
She waits for his return  
Says heâ's coming for her soon

Pre-Chorus2:

How can this be fair?  
This guy can walk on water  
Donâ't guess Iâ've got a prayer  
Heâ's written love letters - to reach her

Bridge:

She worships the ground he walks on  
She just smiles when she says his name  
Itâ's a match made in heaven  
I canâ't compete with the King of Kings
