He's got it all, some diamond rings
A fancy car, just everything
But he's alone, he's so alone

He works from nine to five o'clock
He's got it all but he can't stop
But he's alone, he's so alone

But he can find a real good love for his heart

He's a heart, heart heartbreaker
Heart, heart, love maker
And in her shade, oh, he's playing games
He's a heart, heart heartbreaker
Heart, heart, love maker
He can't buy love, what he's dreaming of

He fades away, he's about to cry
A lonely boy with lonely eyes
He's so alone, he's so alone

He can't seem scared, his heart is cold
He sold his soul for precious gold
He's so alone, he's so alone, yeah

But he can find a real good love for his heart

He's a heart, heart heartbreaker
Heart, heart, love maker
And in her shade, oh, he's playing games
He's a heart, heart heartbreaker
Heart, heart, love maker
He can't buy love, what he's dreaming of

He's a heart, heart heartbreaker
Heart, heart, love maker
And in her shade, oh, he's playing games

He's got it all, some diamond rings
A fancy car, just everything
But he's alone, he's so alone
