Here I am
Back where I started
Frozen over
Broken hearted
Chasing shoulders
Cold as ice
Shield your love
Or pay the price

It's funny
When I put 'em first
ooh
It's over and
Now we're in reverse

When I give them my heart
And let 'em in
thats when it ends
I show them my scars
They open them over again
Every time I gave my love
Love left me there to linger
When I give them my heart
Thats when it ends

And that's why I'm single
That's why I'm single
That's why I'm single

Played the games
Those days are over
Things have changed
And now i'm older
Understand that love ain't easy
Lots to give

But don't receive it

It's funny

When I put 'em first

ooh

It's over and

Now we're in reverse

When I give them my heart

And let them in

thats when it ends

I show them my scars

They open them over again

Every time I gave my love

Love left me there to linger

I give them my heart

Thats when it ends

And that's why I'm single

That's why I'm single

That's why I'm single
