How long has this been going on?  
How long has this been going on?

Well, if friends with their fancy persuasion  
Don't admit that it's part of a scheme  
But I can't help but have my suspicions  
'Cause I ain't quite as dumb as I seem

And you said you was never intending  
To break up our scene this way  
But there ain't any use in pretending  
It could happen to us any day

How long has this been going on?  
How long has this been going on?

Oh, your friends with their fancy persuasion  
Don't admit that it's part of a scheme  
But I can't help but have my suspicions  
'Cause I ain't quite as dumb as I seem

Oh, you said you was never intending  
To break up our scene this way  
But there ain't any use in pretending  
It could happen to us any day

And how long has this been going on?  
How long has this been going on?  
(How long?)  
How long has this been going on?  
(How long has this?)

How long has this been going on?  
(How long?)  
How long has this been going on?
