I leave rapper shit ,  
Bitch slap and branded  
So save the .. about the crimes that you mended  
That's how I land it's like ,  
When I take chances I cut the beats with ,  
Taken over 50 states flipping ,  
Touching your, points flashing them with ,  
About a hundred plus extra points  
Credit I get it but don't sweat it  
You know when I said it unladed girl you should get it  
Don't be gassed up you might just be assed up  
My MC chores .. the floors .. trash out  
You're rap is , my mice is ,  
Unleash the sun hold the moon will be cold in June  
I get .. in January sweeter than Helly Berry  
You won't believe when I'll get beef like ,  
So write the truth and loose and keep it steady  
..

Suicide Hype Shit (repeats)

The most reliable ,  
Ready to kill,  
Special announcement I am making a bounce quick  
Sick and you can rip it before you count to six  
.. smelling like leather you could sell .. I am better like ,  
.. keep the level like a carpenter ..  
Put it on overtime cause I worth the ,  
I said you nice pay the price when they ,  
You need to walk on ,  
Open your eyes so you can see a clearer picture  
I'll make a jump, hit you  
.. talk shit but this can be a New York shit  
And Brooklyn is the place where I reside  
Where we fight to stay alive  
Kids play ,.cruising to the streets  
You will be foolish to compete me  
People keep abusing ,

Suicide Hype Shit (repeats)
