I'm so, so sorry for being impatient
I take my chances and make mistakes
But I don't care.
Just don't say I never cared.

Falling over, I made my million
I cross through borders with a fake full fist
But I don't care.
Just don't say I never...

Cared about the point of this
I have to learn again what I never really missed, again.
But I waited 'til the end of it
Before I got the strength, dropped it all and ran with
this.
With this.

So I'm so, so sorry I lost all interest
And I never listen to three suggestions

But I cared.
So don't say I never did.

Bruised and broken, our knees were shaking
I lift a finger, the whole thing breaks
And I don't care.
Just don't say I never...

Cared about the point of this
I have to learn again what I never really missed, again.
But I waited 'til the end of it
Before I got the strength, dropped it all and ran with
this.
With this.

Don't waste my time.
Don't waste my time.
Don't waste my time.

So, so sorry for being impatient
I take my chances and make mistakes
