Song by Eric Anders

What's wrong  
With my nation  
Can only call it mine  
For so long  
Our innocence gone  
No redemption in sight  
No, not to the right

So wrong  
Swingin' further right  
So long innocence o' mine  
How long before we set this right?  
So wrong

Too long  
Alien nation  
Left one with this bile  
So strong  
But can we take on  
Our historical trial  
With so much denial

So wrong  
Swingin' further right  
So long innocence o' mine  
How long before we set this right?  
So wrong

They say that they're for you  
Don't they, they say  
\*While they make their fortunes  
Don't they, they say

\*(Don't believe it  
Nothing there for you  
They'll just keep singin'  
Their false patriot songs)

So wrong

Swingin' further right  
So long innocence o' mine  
How long before we set this right?  
How long beloved nation of mine?

So wrong  
Swingin' further right  
So long ignorance o' mine  
How long before we set this right?  
Can we set this right?  
So wrong
